

Enterprise AI: Strategy, Implementation, and Integration

Sample Schedule

17 weeks (excluding orientation)

Entirely online

Self-paced learning 6-8 hours/week*

**This is a 17-week, 100% online program that requires approximately 6-8 hours of study time per week. You'll move through learning material and submit deliverables each week on your own schedule, while learning alongside a global network of peers facing the same AI transformation challenges. It's designed to complement a full-time leadership role, not compete with it. You'll be supported as you engage in individual activities and group discussions, ensuring you feel confident to submit your best work at each weekly deadline.*
